

Dear Community Friend;

I would like to introduce you to our 2021 Work Ethics Scholarship program promoted by the Antelope Valley Chambers of Commerce. We would be delighted to count you in as a Scholarship Sponsor to help the young people in our community.

The Work Ethics Scholarship program is fully funded by your donations and last year provided \$10,500 in scholarships to nine local High School graduates who are attending Colleges and Universities this year. The Antelope Valley Chambers are dedicated to building a strong future for the youth of today by supporting our students who have made a commitment of attending college. For over 115 years, the Antelope Valley Chambers of Commerce has remained dedicated to encouraging higher education as a means of preparing young people to become stronger leaders and citizens in our community.

The Scholarships are based on academics, the student's demonstrated work ethics in either a paid job or internship, and future aspirations. Awardees must graduate High School in the Antelope Valley and provide proof of college enrollment. Scholarships are provided in \$500 levels, dependent on sponsorships received.
