

Dear Community Friend;

January, 2023

The Antelope Valley Chambers of Commerce are excited to introduce the 2023 Work Ethics Scholarship program. We would be delighted to count you as a Scholarship Sponsor to help the young people in our community.

The Work Ethics Scholarship program is fully funded by businesses throughout the Antelope Valley. Donations last year provided \$12,000 in scholarships to local High School graduates who are attending Colleges and Universities this year. The Antelope Valley Chambers are dedicated to building a strong future for the youth of today by supporting our students who have made a commitment of attending college. For 120 years the Antelope Valley Chambers has remained dedicated to encouraging higher education as a means of preparing young people to become stronger leaders and citizens in our community.

The Scholarships are based on academics, the student's demonstrated work ethics in either a paid job or internship, and future aspirations. Awardees must graduate High School in the Antelope Valley and provide proof of college enrollment. Scholarships are provided in a minimum of \$500 levels, dependent on sponsorships received.

The scholarship program is managed through the Antelope Valley Chambers Education Fund, a charitable non-profit 501(c)3 foundation.
